Navigation System (SD Card) \$597.50

Equip your Yaris Sedan with the Navigation System SD Card that activates in-dash navigation system on your vehicle, and allows you to find your direction easily. Features On-Road navigation as well as Points of Interest to guide you towards local accommodations, airports, restaurants and more. It also allows you to save favourite destinations for ease of access in future uses.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership. Price does not include taxes.
