TRD Accessories

TRD Exhaust System

\$1,541.50

The TRD performance exhaust provides a deeper and more powerful engine sound that enhances both the presence and appearance of the 86. Constructed entirely of stainless steel, the TRD performance exhaust maintains high factory quality standards for performance and strength, meets all noise limit requirements and features a polished muffler with a double-walled, wide-diameter slant-cut exhaust tip and rolled edge. Plus, the TRD logo is stamped on the top of the polished exhaust tip.

TRD Lowering Springs

\$1,224.50

TRD lowering springs lower the 86's centre of gravity by approximately 1" (1 1/8-in.) front and rear, enhancing the vehicle's on-road performance through quicker turn-in, enhanced steering response and improved cornering ability. Featuring TRD-developed proprietary spring rates (linear in front, progressive in rear) and designed to work with stock struts and shock absorbers. Installation includes wheel alignment.

TRD Air Filter

\$114.50

Pre-oiled and ready to install. Washable and reusable. This exact drop-in replacement filter will last the life of the vehicle, provide unrivalled engine protection and increase air flow.

TRD Performance Brake Pads - Rear

\$194.00

TRD's high-performance, high-friction brake pads are made from an aramid- and ceramic-strengthened compound, delivering an optimum combination of cold and hot friction, along with a high maximum operating temperature and low noise levels. Delivering increased braking performance while decreasing brake fade during repeated stops or extended downhill driving, TRD brake pads are engineered to minimize brake noise and enhance stopping power.

TRD 18" Alloy Wheel (Staggered Fitment)

\$1,546.00

These TRD 18-in. x 7-in. front and 18-in. x 7.5-in. rear staggered fit, cast alloy wheels were designed specifically for the Toyota 86, featuring a snap-in TRD logo center cap along with a black matte finish. Allowing the owner the option of a plus-size wheel upgrade, these wheels incorporate the proper weight, offset and brake clearance to ensure proper fit, finish and reliability. Specs: - Both with 35-mm. offset, a 5-on-100-mm. bolt circle [P.C.D.] and a 56-mm. center bore - Tire Pressure Monitoring System (TPMS) ready Recommended tire size: 215/40R18 (front) and 225/40R18 (rear) (Tires not included)

TRD Sway Bars

\$1,003.50

Engineered by TRD to enhance the vehicle's handling characteristics, the sway bars provide a flatter, more stable cornering stance, reducing front wheel slip and limiting body roll without adding harshness to the ride. Constructed of high-quality alloy steel, the sway bars feature a gloss red powder coat finish that resists corrosion and protects against road damage, while providing a striking visual enhancement to the underbody of the vehicle.
